As follows the Code of Federal Regulations (CFR) indicates only a physician's signature is acceptable for "the Less Than 30 Day" order:

CFR 483.106

- (2) Exempted hospital discharge. (i) An exempted hospital discharge means an individual—
- (A) Who is admitted to any NF directly from a hospital after receiving acute inpatient care at the hospital;
 - (B) Who requires NF services for the condition for which he or she received care in the hospital; and
 - (C) Whose attending physician has certified before admission to the facility that the individual is likely to require less than 30 days nursing facility services.
